

Physiotherapy and Occupational Therapy Pre-ISCoS seminar
Wednesday 12th September from 8:30 to 5:00
Darling Harbour Convention Centre (Room C2.5)
Cost: \$75

This seminar will be suitable for occupational therapists and physiotherapists with an interest in spinal cord injury management. The seminar will provide a unique setting to learn from and meet with colleagues from the global spinal cord injury community.

Registrations at: <https://www.iscosmeetings2018.org/index.php/programme-abstracts/pre-meeting-programme/pt-ot-workshop>
